THE KANSAS CITY JAZZ ORCHESTRA

KENTON RETURNS [SEPTEMBER 22, 2006]

The first concert of the series will showcase the music of Stan Kenton. East coast vocalist, Stephanie Nakasian, will perform the original Pete Rugolo arrangements handcrafted for Stan Kenton's favorite singer, June Christy. Saxophone virtuoso and Kenton band alumnus, Kim Park, will play lead alto in the sax section. Jay Sollenberger, a member of our trumpet section, also toured with Kenton extensively and will add his knowledge and expertise to the repertoire.
